

Individuals Impact,
Communities Break Through.

shm.[®]
Society of Hospital Medicine

“ This year, I am committed to promoting connection among our members as a fundamental pillar of SHM. When we connect, we can learn from each other, support one another, and drive positive change in our field. I encourage you to go beyond professional networking and truly connect with other members as people. Our organization is dedicated to helping you thrive not only in your career as a hospitalist, but also in your personal well-being. ”

- Kris Rehm, MD, SFHM
SHM Board President

About SHM

The Society of Hospital Medicine (SHM) is the first and only association dedicated to advancing the field of hospital medicine. SHM serves the needs of the entire hospital medicine team, including physicians, nurse practitioners, physician assistants, practice administrators, residents, medical students, and more.

When you join SHM, not only will you gain a home, but you will also become a part of a larger movement that impacts the lives of hospitalized patients worldwide through innovation and collaboration.

Visit hospitalmedicine.org/join to become a part of the hospital medicine movement.

Power your education with resources by hospitalists, for hospitalists.

Whether you are preparing for the Focused Practice in Hospital Medicine (FPHM) exam or refreshing your knowledge, SHM offers the best resources to help you meet your continuing education goals.

CME

The SHM Learning Portal is your online destination for hospital medicine-focused CME. SHM members have free access to more than 130 *AMA PRA Category 1 Credit(s)*[™] on their computer or mobile device. Access pre-recorded webinars and on-demand CME modules developed by experts in the specialty.

shmlearningportal.org

Point-of-Care Ultrasound for Hospitalists

SHM is at the forefront of how hospitalists are using POCUS and is here to help guide you by leading the conversation and driving POCUS integration into hospital medicine. SHM has created position statements on use of POCUS in hospital medicine and offers unique training opportunities geared toward hospitalists. In addition, SHM offers a comprehensive certificate of completion program in partnership with the American College of Chest Physicians (CHEST).

hospitalmedicine.org/pocus

The Society of Hospital Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.

“I found that being involved in the Nebraska Chapter has allowed me to socialize, network, and gain exposure that I hadn’t had before. Chapters are a good way to build a community of your own local hospitalists and bounce ideas off each other. It allows some of the benefits of the larger meetings in your own backyard.”

- Mohammed Zalabani, MD, FHM

Build impactful connections for your future.

With SHM, every interaction has the potential for career advancement, collaboration, and educational growth.

Special Interest Groups

Special Interest Groups (SIGs) are member-led communities that unite hospitalists around topics of interest, practice areas, and/or care models. With 30 active SIGs, there is a wide and growing array of groups offering engagement for every member.

hospitalmedicine.org/sigs

Chapters

Stay connected to your local hospital medicine community at both in-person and virtual events as well as through your chapter’s online community. SHM has more than 65 chapters worldwide that regularly hold live events with world-class educational programming and networking. SHM members are provided the opportunity to volunteer in their local chapter’s leadership.

hospitalmedicine.org/chapters

Hospital Medicine Exchange (HMX) - SHM Online Community

HMX is SHM’s premier online engagement platform. Members can connect with their local chapter and Special Interest Groups, utilize the member search feature, and share information or crowdsource that burning question in the Open Forum discussion area.

Advance your career.

SHM is here to help you through all stages of your career.

SHM Fellows Designations

SHM offers hospitalists a path to leadership through the esteemed designation of Fellow in Hospital Medicine and Senior Fellow in Hospital Medicine. Gain credentials that will distinguish you as a leader in the specialty and prepare you for an enduring successful career.

SHM offers Fellows designations across a variety of membership categories, including physicians, qualified practice administrators, doctors of pharmacy, nurse practitioners, and physician assistants.

hospitalmedicine.org/fellows

SHM Committees

SHM provides members the opportunity to serve as volunteers in shaping the society and its initiatives. While the charge of each individual committee is different, members selected to serve are able to positively impact the specialty and ensure that SHM remains at the forefront of hospital medicine.

“My SFHM designation allowed me to connect with other hospitalists and gave me national recognition among my peers. Ultimately, this led to growing leadership roles both at SHM and at my home hospital.”

- Kierstin Kennedy, MD, MSHA, SFHM

Learn from the best at SHM's live events.

Re-energize your practice and expand your network with today's hospital medicine leaders. SHM members receive discounted pricing on a variety of insightful and engaging meetings in the specialty.

SHM Converge, our Annual Conference, is the largest national gathering of hospitalists in the United States, offering you an array of educational and networking opportunities to enhance your practice, increase your visibility, and learn from leaders in the field.

shmconverge.org

Academic Hospitalist Academy (AHA) is held in partnership with SHM, the Society of General Internal Medicine, and the Association of Chiefs & Leaders of General Internal Medicine. AHA provides academic hospitalists with the educational, professional, and scholastic skills needed to accelerate their careers.

academichospitalist.org

SHM Leadership Academy prepares clinicians, academics, and administrators with vital leadership skills designed with hospital medicine professionals in mind.

shmleadershipacademy.org

Pediatric Hospital Medicine (PHM) is sponsored by SHM, the American Academy of Pediatrics, and the Academic Pediatric Association to deliver educational and networking opportunities specifically curated for pediatric hospitalists.

phmmeeting.org

Adult Hospital Medicine Boot Camp, sponsored by SHM and the American Academy of Physician Assistants, is designed as a refresher on the most commonly encountered diagnoses and diseases of adult hospitalized patients.

hospitalmedicine.org/bootcamp

Quality and Safety Educators Academy (QSEA) provides medical educators with the knowledge, skills, and confidence to develop and lead curricula that will educate and engage residents or students in quality improvement and patient safety.

A circular portrait of a man with dark hair, wearing a white shirt and a pink and blue striped tie. He is smiling slightly and looking towards the camera. The background is blurred, showing what appears to be a hospital or office setting.

“SHM's Center for Quality Improvement tackles the most entrenched problems facing our hospitals today and ushers the expertise that front-line healthcare workers trust and need to facilitate change.”

- Harry J. Cho, MD, SFHM

Stay current on hospital medicine trends and optimize your practice.

SHM's publications portfolio offers comprehensive coverage of the field including clinical developments, news and research, and trends in hospital medicine.

The *Journal of Hospital Medicine* (*JHM*) is the first and only monthly peer-reviewed journal dedicated to hospital medicine. Free online access to the journal is a member-only benefit and includes the *Core Competencies in Hospital Medicine* and the *Pediatric Core Competencies in Hospital Medicine*, among other influential supplements and research. SHM invites members to submit their original research, perspective pieces, and more for consideration in *JHM*.

[Learn more at journalofhospitalmedicine.com](http://journalofhospitalmedicine.com)

The Hospitalist, SHM's monthly news magazine, covers current issues and trends, including evidence-based clinical reviews, ethical concerns, public policy profiles, and interviews with experts in the field. SHM welcomes member submissions and often publishes pieces written directly by our members.

[Learn more at the-hospitalist.org](http://the-hospitalist.org)

The Hospital Leader, the official blog of SHM, provides timely news, information, and commentary on the most compelling issues in the specialty, including clinical updates, practice management, healthcare policy, ethics, and more. Guest bloggers are always welcome to share blog posts for review by SHM's Communications Department and the physician blog editor.

blog.hospitalmedicine.org

SHM is advocating for you.

SHM works on behalf of hospitalists and patients nationwide through legislative and regulatory advocacy. SHM advocates for the most pressing issues in hospital medicine, including observation and prior authorization policies, Medicare reimbursement rates, hospitalist workforce supply, physician wellness and burnout, the opioid crisis, and more.

Take action

As an SHM member, you can join the Grassroots Network to receive policy-focused newsletters and the most up-to-date information about the healthcare policy landscape. Grassroots Network members help advance SHM's policy priorities and advocate for hospitalists and patients by sending messages via the Legislative Action Center.

Current issues

Visit the Policy & Advocacy section of our website to stay informed on current issues and to read policy statements and letters sent to policymakers. Follow us on Twitter [@SHMAdvocacy](https://twitter.com/SHMAdvocacy) for our most recent policy activity or to share your thoughts with SHM Advocacy staff.

Advocacy

Optimize your hospital medicine group.

Practice Management

Get the tools, resources, and connections you need to effectively lead and manage a hospital medicine group. With webinars, publications, and guides, SHM is constantly building new resources to support the success of hospitalists as they navigate an ever-changing healthcare environment. SHM is your home to connect with and learn from other hospitalist leaders who are confronting the same operational and group management challenges.
